The Sponsor reserves the right, in its sole discretion, to disqualify any Entrant who submits a Video that does not meet the Video Requirements as determined by Sponsor.

**7. JUDGING:** Online forms and Videos will be judged by a panel of experts ("Judges") after all submissions have been received. Judges have significant healthcare and/or patient care experience. Online forms and Videos (if submitted) will be evaluated by the Judges based on the following criteria: (i) plausibility of idea (35%); (ii) creativity and originality of innovation (35%); and (iii) ability of Entrant to operationalize/implement the innovative idea for future application (30%).

Judges will evaluate each entry and attribute a score of 1 to 10 for each of the above-listed criteria. The ten (10) Entrants that receive the highest overall scores will be selected as Semi-finalists. In the event of a tie, the Entrant(s) that received the higher score from the Judges in the category of "plausibility of idea" will be selected as the Semi-finalist. If there is still a tie, the tied entries will be re-judged by a different panel of qualified judges as determined by the Sponsor. In the event a Semi-finalist is disqualified for any reason, the entry that received the next highest total score will be chosen as the Semi-finalist. Entrants acknowledge that judging of this kind is by its nature subjective. Semi-finalists will participate in an interview via video conference or telephone to present their idea.

On or about September 11, 2017, ten (10) Entrants will be selected as potential Semi-finalists and notified by email, mail and/or phone, at Sponsor's discretion. If a potential Semi-finalist does not respond to the notification attempt within five (5) days from the notification attempt, then such potential Semi-finalist will be disqualified and an alternate potential Semi-finalist will be selected from among all eligible Entrants based on the judging criteria described herein. Between September 11, 2017 and October 12, 2017, each potential Semi-finalist is required to participate in an interview via video conference or telephone lasting approximately 30-60 minutes and to the extent permitted by law in the Semi-finalist's jurisdiction of residence, consent to a background check to confirm eligibility (i.e., no felony conviction) conducted by the Sponsor. Following confirmation of eligibility, the (10) Semi-finalists will be re-scored using the original criteria outlined above. The five (5) Semi-finalists with the highest overall scores will be selected as potential Finalists. On or about October 13, 2017, the five (5) potential Finalists will be selected and notified by email, mail and/or phone, at Sponsor's discretion. Except where prohibited by law, each potential Finalist will be required to sign and return a Declaration of Eligibility and Liability and Publicity Release and provide any additional information, such as that referenced in section 11 below, that may be required by Sponsor. Potential Finalists must return all such required documents within five (5) days following attempted notification or such potential Finalist will be deemed to have forfeited the prize and

another potential Finalist will be selected based on the judging criteria described herein. All notification requirements, as well as other requirements within these Rules, will be strictly enforced. Determinations of judges are final and binding.

**8. FINALIST JUDGING SESSION:** Each of the five (5) Finalists will receive a trip to the Union for International Cancer Control Annual World Cancer Leaders' Summit scheduled to take place in Mexico City, Mexico from November 13, 2017 to November 14, 2017 to present their innovative idea. Each Finalist will receive the opportunity to present their idea and answer questions in front of a panel of experts. The experts will review each of the presentations based on the criteria and scoring process identified in section 7 above and will apply new scores. The one (1) Finalist presentation that receives the highest overall score will be selected as the potential Grand Prize winner and announced on November 14, 2017. The same procedures described above for a tie will apply here.

**9. ODDS OF WINNING:** The odds of being selected a Finalist depend on the number of eligible entries received. Sponsor anticipates approximately 115 Entrants, based on the number of Entrants in 2016, however, the number of Entrants could vary substantially from 2016.
