By submitting an entry in the Challenge, Entrants agree to these Rules. Entrants may not submit an entry to the Challenge and are not eligible to receive any prize described in these Rules unless they agree to these Rules. These Rules form a binding legal agreement between Entrants and Astellas with respect to the Challenge.

2. ELIGIBILITY: To be eligible to enter the Challenge, you (“Entrant”) must: (1) be above the age of majority in the country, state, province, or jurisdiction of residence (and at least twenty (20) years old in Taiwan) at the time of entry; (2) not be convicted of a felony in your jurisdiction of residence or any foreign jurisdiction at any point in time; (3) not be a resident of Brazil, Crimea, Cuba, Iran, Syria, North Korea, or Sudan; (4) not be a person or entity under U.S. export controls or sanctions; and (5) have access to the Internet as of May 30, 2018. Failure to provide additional information or consents will be grounds for disqualification, unless prohibited under applicable law. Employees, interns, contractors, and official office-holders of Astellas Pharma Inc., its subsidiaries, affiliates, and their respective directors, officers, employees, advertising and promotion agencies, representatives, and agents (“Challenge Entities”), and members of the Challenge

Entities and their immediate families (parents, siblings, children, spouses, and life partners of each, regardless of where they live) and members of the households (whether related or not) of such employees, officers, and directors are ineligible to participate in this Challenge. Sponsor reserves the right to verify eligibility and to adjudicate on any dispute at any time.

If Entrants are acting within the scope of their employment, as an employee, contractor, or agent of another party, they warrant that such party has full knowledge of their actions and has consented thereto, including to the terms of these Rules and the Entrants' potential receipt of a prize. Entrants further warrant that their actions do not violate their employer's or such company's/entity's policies and procedures. It is not necessary for Healthcare Provider Entrants to prescribe, or intend to prescribe in the future, any medicine or product marketed by Astellas, and this will not be a consideration in the selection criteria.

3. SPONSOR: The Challenge is sponsored by Astellas Pharma US, Inc. ("Astellas" or "Sponsor"), an Illinois company with offices at 1 Astellas Way, Northbrook, IL 60062, USA.

4. CHALLENGE PERIOD: The Challenge begins at 12:00:00 A.M. Central Time (CT) Zone in the United States on May 30, 2018 and ends at 11:59:59 P.M. CT on July 25, 2018 ("Challenge Period"). *ENTRANTS ARE RESPONSIBLE FOR DETERMINING THE CORRESPONDING TIME ZONE IN THEIR RESPECTIVE JURISDICTIONS.*

5. HOW TO ENTER: To enter the Challenge during the Challenge Period, complete the online form, describing an idea to develop an innovation that addresses a major issue in cancer care, and represents specific challenges encountered in the developing world, including but not limited to, one of the following areas:

- i. Navigation
 - Innovative tools, methods or processes are needed to help guide patients living with cancer and their loved ones through the healthcare system and to reduce the burden of decision making, so that patients are able to better focus on their personal health.
- ii. Adherence
 - Innovative tools, methods or processes are needed to help patients living with cancer be more successful in adhering to a treatment plan and to help increase medication compliance.
- iii. Care Coordination

- Innovative tools, methods or processes are needed to provide clarity and ease to patients living with cancer and caregivers around improving how care is networked, coordinated and delivered.

iv. Survivorship

- Innovative tools, methods or processes are needed to develop support systems for patients, caregivers and others impacted by cancer as more people live longer with the disease or live longer cancer-free.

Applicants will be required to choose one (1) of the following three (3) categories for their submission:

- Support Tools:
 - For cancer patients, caregivers and physicians who have access to the internet, there are a number of available online support tools, such as support groups and forums. However, in the developing world, patients may not be able to access these online tools and need to receive support in a different way. Entries in this category seek to provide patients around the world with access to support resources. Submission ideas can include tools, methods or processes that help create support systems or provide support and encouragement for patients, caregivers and others impacted by cancer; can include support in navigating the system and/or adhering to a treatment plan;
- Educational Tools:
 - A cancer diagnosis is a life changing event, but many patients do not have the information they need to make the most of the resources that may be available to them. Educational tools help patients learn about cancer, the treatment process, and available resources. This is especially important in the developing world, where educational awareness programs about cancer may be less prevalent. Submission ideas can include tools, methods or processes that educate patients, caregivers and others impacted by cancer, through all aspects of the journey, whether that be at the time of a diagnosis, during treatment or post-treatment;
- Technology:
 - More people than ever before are connected by mobile devices and the internet, and tools that make the most of this can help patients and caregivers in developing nations better manage cancer treatment and recovery. Any technological device, digital health tool or app will fall into this category.

Ideas may not be entered into multiple categories. Applicants should choose the one (1) category they feel is the best fit for their application. Judges have the ability to override the applicants choice of

submission category and place the submission into the category they believe is most appropriate, if necessary.

While videos are not required as part of submission, they are strongly recommended. Each applicant may submit a Video no longer than two (2) minutes in length, in .mp4, .mov, .wmv or .avi format, meeting the "Video Requirements," described below. After reviewing the form and making the video, if applicable, visit www.C3Prize.com and follow the instructions to complete the online form provided and upload your Video to enter.

LIMIT ONE (1) VIDEO ENTRY PER ENTRANT THROUGHOUT THE CHALLENGE PERIOD. Entrants may only use one (1) email address/account as part of your form to participate in the Challenge. All Videos must be received by 11:59 P.M. CT on July 25, 2018 and subsequently received Videos will be disqualified. Videos are void if they are in whole or part incomplete, altered, counterfeit, obtained through fraud, or late. All Videos will be deemed made by the authorized account holder of the email address submitted at the time of entry, and the potential Category Winners may be required to show proof of being the authorized account holder for that email address. The "authorized account holder" is the natural person assigned to an email address by an Internet service provider, online service provider or other organization responsible for assigning email addresses for the domain.

6. VIDEO REQUIREMENTS: In addition to meeting the criteria in section 6 above, each Video must also meet the following criteria:

(a) It must not be derogatory, offensive, threatening, defamatory, disparaging, libelous, or contain any content that is inappropriate, indecent, sexual, profane, tortious, slanderous, discriminatory in any way, or that promotes hatred or harm against any group or person, or otherwise does not comply with the theme and spirit of the Challenge.

(b) It must not contain content, material, or any element that is unlawful, or otherwise in violation of or contrary to any applicable federal, state, provincial or local laws and regulations in any state or other jurisdiction where Video is created.

(c) It must not contain any content, material or element that displays any third party advertising, slogan, logo, trademark, or otherwise indicates a sponsorship or endorsement by a third party or commercial entity or that is not within the spirit of the Challenge, as determined by Sponsor, in its sole discretion.

(d) It must be an original, unpublished work that does not contain, incorporate or otherwise use any content, material or element that is owned by or subject to any rights of a third party or entity.

(e) It cannot contain any content, element or material that violates a third party's publicity, privacy or intellectual property rights.

The Sponsor reserves the right, in its sole discretion, to disqualify any Entrant who submits a Video that does not meet the Video Requirements as determined by Sponsor.

7. JUDGING: Online forms and Videos will be judged by a panel of experts (“Judges”) after all submissions have been received. Judges have significant healthcare and/or patient care experience. Online forms and Videos (if submitted) will be evaluated by the Judges based on the following criteria: (i) extent to which idea reflects application category (15%); (ii) plausibility of idea (30%); (iii) creativity and originality of innovation (30%); and (iv) ability of Entrant to operationalize/implement the innovative idea for future application (25%).

Judges will evaluate each entry and attribute a score of 1 to 10 for each of the above-listed criteria. The three (3) Entrants that receive the highest overall scores in each of the three categories will be selected as potential Semi-finalists, for a total of nine (9) potential Semi-finalists. In the event of a tie, the Entrant(s) that received the higher score from the Judges in the category of “plausibility of idea” will be selected as the Semi-finalist. If there is still a tie, the tied entries will be re-judged by a different panel of qualified judges as determined by the Sponsor. In the event a Semi-finalist is disqualified for any reason, the entry that received the next highest total score will be chosen as the Semi-finalist. Entrants acknowledge that judging of this kind is by its nature subjective. Semi-finalists will participate in an interview via video conference or telephone to present their idea.

On or about August 8, 2018, the nine (9) selected potential Semi-finalists will be notified by email, mail and/or phone, at Sponsor’s discretion. If a potential Semi-finalist does not respond to the notification attempt within five (5) days from the notification attempt, then such potential Semi-finalist will be disqualified and an alternate potential Semi-finalist will be selected from among all eligible Entrants based on the judging criteria described herein. Between August 8, 2018 and August 22, 2018, each potential Semi-finalist is required to participate in an interview via video conference or telephone lasting approximately 30-60 minutes and to the extent permitted by law in the Semi-finalist’s jurisdiction of residence, consent to a background check to confirm eligibility (i.e., no felony conviction) conducted by the Sponsor. Following confirmation of eligibility, the (9) Semi-finalists will be re-scored using the original criteria outlined above. The one (1) Semi-finalist from each category with the highest overall score in each category will be selected as the Category Winners and eligible to compete for the Grand Prize. On or about August 24, 2018, the three (3) potential Category Winners will be selected and notified by email, mail and/or phone, at Sponsor’s discretion. Except where prohibited by law, each potential Category Winner will be required to sign and return a Declaration of Eligibility and Liability and Publicity Release and provide any additional information, such as that referenced in section 11 below, that may be required by Sponsor. Potential Category Winners must return all such required documents within five (5) days following attempted notification or such potential Category Winner will be deemed to have forfeited the prize and another potential Category Winner will be selected based on the judging criteria described herein. All

notification requirements, as well as other requirements within these Rules, will be strictly enforced. Determinations of judges are final and binding.

8. CATEGORY WINNER JUDGING SESSION: Each of the three (3) Category Winners will receive a trip to the Union for International Cancer Control (UICC) World Cancer Congress scheduled to take place in Kuala Lumpur, Malaysia from October 1, 2018 to October 4, 2018 to present their innovative idea. Each Category Winner will receive the opportunity to present their idea and answer questions in front of a panel of experts. The experts will review each of the presentations based on the following criteria to apply new scores (i) plausibility of idea (30%); (ii) creativity and originality of innovation (30%); (iii) ability of Entrant to operationalize/implement the innovative idea for future application (25%); and (iv) audience voting (15%). The UICC World Cancer Congress audience will be able to vote live immediately following the conclusion of all three (3) Category Winner pitches. Voting will be conducted via UICC's Congress app and audience results will be compiled and weighted as an additional judge. The one (1) Winner presentation that receives the highest overall score will be selected as the potential Grand Prize winner and announced on or about October 4, 2018. The same procedures described above for a tie will apply here.

9. ODDS OF WINNING: The odds of being selected a Category Winner depend on the number of eligible entries received and the quality of entries received. Sponsor anticipates approximately 130 Entrants, based on the number of Entrants in 2017, however, the number of Entrants could vary substantially from 2017.

10. PRIZES: Three (3) types of prizes will be awarded as follows:

Sponsor shall not be responsible for any cancellations, delays, diversions or substitution or any act or omissions whatsoever by the air carriers, hotels or other transportation companies or any other persons providing any of these services and accommodations to passengers including any results thereof such as changes in services or accommodations necessitated by same. Sponsor reserves the right to substitute a prize, in whole or in part, of equal or greater monetary value if a prize cannot be awarded, in whole or in part, as described for any reason. Value is subject to market conditions, which can fluctuate and any difference between Actual Market Value and Approximate Retail Value will not be awarded. In the event that no entries are received, no prize will be awarded. Subject to the above provisions regarding prize substitutions, if there are at least three (3) submissions in compliance with the rules and categories, all prizes will be awarded.

Entrant acknowledges that Entrant's form and Video (if submitted) has been submitted voluntarily and not in confidence or in trust. Entrant acknowledges that no confidential, fiduciary, agency, or other relationship, or implied-in-fact contract now exists between Entrant and Astellas or the Challenge Entities and that no such relationship is established by Entrant's submission of a form and Video (if submitted) under these Rules.

SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE MAY NOT APPLY TO YOU.

22.
